The Additional Director, Transport is anxious to ~~hedl~~ hold another auction as early as possible but obviously it requires your kind cooperation.

It appears that the undermentioned lorry is with you and they are reported to be not in good condition and fit for auction. Could you kindly make it convenient to send in these lorries to the Transport Officer, Mr.K.N.G.Dwajan, positively by the end of this month? Unless this is done it will not be possible to include your lorries in the auction as we require sometime to address Government, to obtain their kind sanction, advertise to manipulate a successful auction.

I shall feel highly thankful if you will give a reply by return of post.

Yours sincerely,

Sir,

Subject: AUCTION OF LORRIES.

Adverting to Government order No.SD.10125-7/A.167-47-6 dated the 14th June 1948, approving the proposal for the disposal of 16 lorries with scrap materials in public auction etc., I have the honor to state that the 16 lorries mentioned above refers to those that were in the several districts and they had to be collected in Bangalore either by towing or running, for auction. So far only five of them could be so brought to Bangalore and in view of our proposal to wind up the transport section by the end of June and consequent retrenchment of staff, it was proposed to ~~hedl~~ hold an auction on the 30th of June 1948. Accordingly an auction was conducted through the agency of Messrs. Frank Abraham & Co., on the 30th under the supervision of the Additional Director (Transport). It is reported that there was a good gathering of bidders amounting to about 150 and a total sum of Rs.7,450/- was realised for these five lorries and scrap articles. The prices obtained for the lorries are quite reasonable, considering the condition in which they were. The sale has been confirmed by me and the delivery of the auctioned lorries will be given to the parties on payment of the full amount of the bid, according to the usual auction terms.

A copy of letter No.1837/47 dated the 30th June together with a copy of its enclosure from the Transport Officer, Bangalor is enclosed, for favour of kind perusal.

Out of 16 lorries, only 5 lorries have been sold in auction held on 30-6-48, realising a sum of Rs. 7450/-. The T.M. is of opinion that the prices obtained for the old lorries are quite reasonable.
